

RSCDS San Gabriel Valley Branch  
presents

# *Death at Langley Castle*

September 18, 2004

6:00 pm

South Pasadena War Memorial Building

[Reservation form on next page](#)

Join us for an evening of dining, a little dancing, and a lot of mystery and intrigue, as the San Gabriel Valley Branch gives you a ringside seat for murder and mayhem in its production of "*Death at Langley Castle*." During the course of the evening, one of the attendees will suffer an untimely death, and you will participate in solving the crime and identifying the culprit.

Perhaps the most surprising twist of all will be the unexpected acting talent you will see displayed by your fellow dancers who are members of the cast.

The year is 1938, and the occasion is a party thrown by the Laird of Langley to celebrate the Castle's 300<sup>th</sup> anniversary. On this festive occasion, the castle is filled with strolling minstrels, dancers, and players. But all the revelry masks many dark secrets which will be revealed during the course of the evening.

You will be part of this interactive radio melodrama, participating in the solution of the crime as well as dining and dancing, so please dress appropriately to the occasion and era.

We encourage you to invite family, friends, and neighbors to attend. We'll have a little something for everyone, including some ceilidh dancing appropriate for nondancers.

This unique event is a fundraiser for the San Gabriel Valley Branch. The proceeds will help us defray the escalating costs of running the branch: insurance, newsletter publication, our stellar events, as well as membership in the RSCDS. We are endeavoring not to raise dues to cover these increased expenses, and we are trying to keep our event ticket prices reasonable. You can help us, and have a great time doing it! If you are not able to attend, your donation would be most welcome.

Please print this form, fill out, and enclose with payment
